

The background of the image is a photograph of a construction or landscaping site. In the foreground, there are three stone statues made of stacked, rough-hewn stones. The statue on the left is grey, the middle one is light brown, and the one on the right is yellow. In the background, there is a green utility vehicle with the number '21' on its side, and a yellow excavator. To the right, there is a black trailer with the word 'JETTY' in red letters and a blue sign that says 'Please Butt'.
